

Name : ..... Class : .....

## Place value

Tick the correct alternative

1) **5 2** =

|                     |                          |
|---------------------|--------------------------|
| 5 tens plus 2 ones  | <input type="checkbox"/> |
| 4 tens plus 12 ones | <input type="checkbox"/> |
| 3 tens plus 15 ones | <input type="checkbox"/> |
| 5 tens plus 1 ones  | <input type="checkbox"/> |

2) **4 8** =

|                     |                          |
|---------------------|--------------------------|
| 4 tens plus 8 ones  | <input type="checkbox"/> |
| 6 tens plus 12 ones | <input type="checkbox"/> |
| 3 tens plus 18 ones | <input type="checkbox"/> |
| 4 tens plus 4 ones  | <input type="checkbox"/> |

3) **3 6** =

|                     |                          |
|---------------------|--------------------------|
| 3 tens plus 6 ones  | <input type="checkbox"/> |
| 6 tens plus 12 ones | <input type="checkbox"/> |
| 1 ten plus 20 ones  | <input type="checkbox"/> |
| 2 tens plus 16 ones | <input type="checkbox"/> |

4) **8 8** =

|                     |                          |
|---------------------|--------------------------|
| 8 tens plus 8 ones  | <input type="checkbox"/> |
| 6 tens plus 12 ones | <input type="checkbox"/> |
| 7 ten plus 18 ones  | <input type="checkbox"/> |
| 7 tens plus 7 ones  | <input type="checkbox"/> |

5) **2 1** =

|                    |                          |
|--------------------|--------------------------|
| 2 tens plus 1 one  | <input type="checkbox"/> |
| 2 tens plus 0 ones | <input type="checkbox"/> |
| 1 ten plus 11 ones | <input type="checkbox"/> |
| 1 tens plus 1 one  | <input type="checkbox"/> |

## Answers

Tick the correct alternative

1)     5 2     =

|                     |                                     |
|---------------------|-------------------------------------|
| 5 tens plus 2 ones  |                                     |
| 4 tens plus 12 ones | <input checked="" type="checkbox"/> |
| 3 tens plus 15 ones | <input type="checkbox"/>            |
| 5 tens plus 1 ones  | <input type="checkbox"/>            |

2)     4 8     =

|                     |                                     |
|---------------------|-------------------------------------|
| 4 tens plus 8 ones  |                                     |
