

# LET'S PRACTICE ROUNDING UP!

Paul needs to prepare his payment at the supermarket. Round up the prices of the following items, so Paul can pay and get his change:

1 box of toothpaste	\$2.10	\$
1 bag of apples	\$5.15	\$
1 bag of chips	\$3.50	\$
1 bottle of orange juice	\$5.35	\$
1 carton of milk	\$3.25	\$
