PAYING UP

LET'S PRACTICE ROUNDING UP!

The exercise below is meant to test your understanding of rounding up money values while shopping. Assume you have to make payments for the items in the list below. First start by rounding up the values.

ITEMS	STORE PRICE	ROUNDED PRICE
1 BOX OF TOOTHPASTE	\$2.10	
1 BAG OF APPLES	\$5.15	
1 BAG OF CHIPS	\$3.50	
1 BOTTLE OF ORANGE JUICE	\$5.35	
1 CARTON OF MILK	\$3.25
